Registrations Are Now Open! (And needed!)

Registrations for some of our summer events are lagging behind a bit. Especially Vacation Bible School July 7 – 11. If you are considering registering or if there is something delaying your registering please be in contact with Pastor Chris. We will need to make a decision by June 1.

To register for any summer event or a youth event go to www.jcfumc.org and click on "Summer Registrations are Here." Payment can be made at anytime or on the first day of the event.

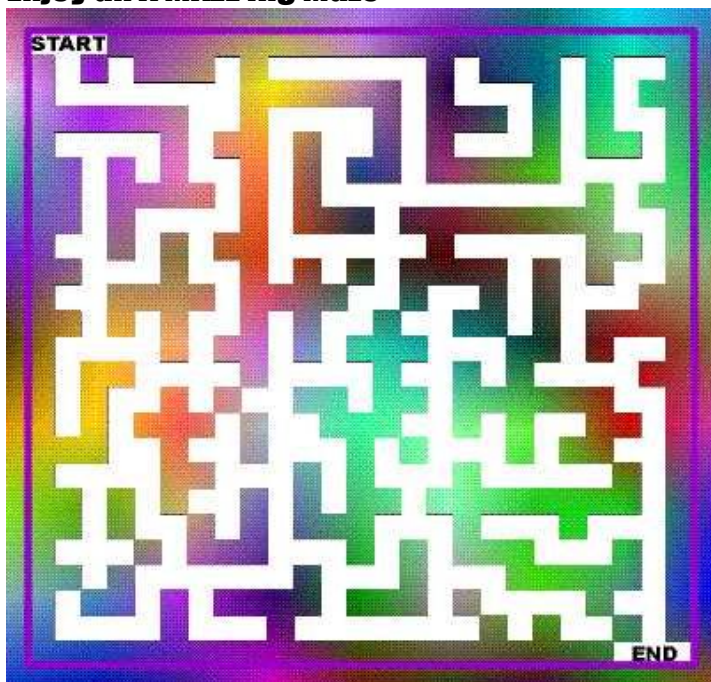

Summer Sunday School Begins

Promotion Sunday is May 31st when all 5th graders will go to the Middle School Class and all 8th graders will go to the Sr. High Class. All other grades will enjoy a One Room Sunday School for the summer. We will continue to Live B.I.G. (Belief In God) and look forward to more lessons about living our faith.

Thank you to our teachers this year: Margaret and Katie Lister, Stephanie Denney, Tisha Scott, Misty Miles, Sarah Culley, Lindsey Gerling, Sandy Wolfgang, Joyce Smith, Tom & Kathy Cairo, Dave & Ginger Meyer, Dustin & Heather Warbritton.

And a Special Thank You to Jeremy and Shelly Kintzel for their 4 years of dedication to the Middle School Class. We celebrate your ministry with these young people in our congregation and look forward to seeing your family as it grows!

Opportunities in Ministry!

Plans are always going on for new and existing ministries and the summer time gives a chance for good reflection and planning for the next school year's programs.

What shall we plan for Logos in the fall? Gretta and Denise have launched this program but are now seeking other opportunities. Are you interested in taking this great ministry to the next level? Are your gifts in leading and caring for children? Is God calling you to a new place in your life?

I invite you to pray for the Children's program this fall and to see what answers you receive. God is at work among us – let's dream where God will take us!
